

Alex Dijkstra · Co-Founder

SHORT BIO

Alex Dijkstra is Co-Founder of Boat Owners Platform, responsible for the Netherlands and Germany.

LONG BIO

Alex Dijkstra comes from the north of the Netherlands and has been involved in watersports from a young age; his father was a seaman, and the family always came along aboard his ship. He has imported boats from countries including Turkey and sold, finished and outfitted them himself in the Netherlands. At Boat Owners Platform he is Co-Founder, responsible for the Netherlands and Germany.
